University of Pennsylvania Service Provider Questionnaire

The information on this form is used to determine whether an individual providing services is an independent contractor under IRS guidelines. This form must be completed and signed by the individual performing the services, and reviewed and signed by the individual responsible for contracting for the services, prior to the rendering of any services. No payment for any services will be made otherwise.

Scope of Work:

Please provide a brief description of the services that will be provided.
SERVICE PROVIDER EVALUATION WORKSHEET

- This worksheet must be completed by the individual needing a service provider in concert with the applicable HR personnel PRIOR to hiring or processing through Purchasing.
- Do NOT submit this worksheet to the service provider.
- Do NOT complete this worksheet until after the service provider has returned a completed Service Provider Questionnaire. Provide a copy of the Service Provider Questionnaire to the Human Resource Personnel reviewing this form.
- Attach a brief description of services in your own words.
- Included in this worksheet is guidance provided by the IRS and DOL to help with the determination and classification as employee vs. independent contractor, which is designed to assist you in evaluating the relationship between the service provider and the University of Pennsylvania.
- If the service provider you wish to hire or contract with is a current University Employee, he or she must be paid as an employee and not as an independent contractor.
- An independent contractor will not be reimbursed for travel expenses via the CONCUR system. These fees must be included as part of the service provider’s invoice to the University, if allowed by the terms of the engagement. Any payment of such fees by the University will be included in the total earnings reported at calendar year-end.
- Once the answer to a question below is “TREAT AS AN EMPLOYEE,” no further questions need to be addressed. Continue the process for employment with your School or Center Human Resource Manager.*
