GENERAL LEDGER OBJECT CODES - FISCAL YEAR 2017

Only Object Codes which appear on this list are available for use in BEN Financials.

The 417x object codes will be phased in beginning in FY16 with the implementation of NGSS. In order to facilitate RCM reporting, all aid expense will be classified by type of student. In order to facilitate GAAP reporting, all aid expense will be classified by whether service is required for the award or not. If the award is for a package that includes a stipend and the associated student aid, then the service/no service designation on the student aid should match the service/no service designation on the stipend.

Once NGSS is implemented, the use of the student aid object codes 4182 and 4184-4195 will be discontinued. Object code 4180 will continue to be used for accruals and adjustments, and object codes 4181 and 4183 will continue to be used for the Undergraduate student aid distributions.

Object codes 4820 and 4825 must always net to \$0.00 in a journal entry.

4821 Capital Project Funding Transfer

4822 Cost Sharing Transfer - Mandatory or Voluntarily Committed (grants/contracts). Mandatory cost sharing is the Institution's commitment required as a condition of the solicitation, announcement, or terms and condition of the award. Voluntary cost sharing is the portion of project costs committed, expressed, or quantified in the proposal budget or justification to the sponsoring agency but not required or funded by the sponsoring agency. The expenditures and resources for voluntarily committed and mandatory cost sharing must be accounted for under a separate grant fund number and charged to appropriate expense and revenue object codes. The transfer of departmental resources to offset the expenses on cost share funds are processed using a journal entry crediting object code 4822 on the grant and a corresponding debit to the departmental funding source.

4823 Inter-Entity Equity Transfer – Operating. These types of transfers represent the transfer of Resources between University departments and affiliated entities - generally HUP and the Clinical Practices - to be used for a particular department’s operating activities. The transfers are affected using a journal entry, with the University unit debiting or crediting object code 4823 and an offsetting entry to object code 15xx in the affiliated center.

4824 Inter-Entity Equity Transfer – Nonoperating. These types of transfers represent the transfer of Resources between University departments and affiliated entities - generally HUP and the Clinical Practices - to be used for a particular department’s nonoperating activities. The transfers are affected using a journal entry, with the University unit debiting or crediting object code 4824 and an offsetting entry to object code 15xx in the affiliated center. These transfers are usually limited to capital projects, equipment purchases, and the principal portion of debt service payments.
