2408 TIME REPORTING

Effective: December 1986
Revised: April 2013
Last Reviewed: April, 2018
Responsible Office: Comptroller
Approval: Comptroller

PURPOSE

To establish policy governing time reporting for weekly paid University employees (positive and exception reporting). Time reporting records hours worked for hourly University employees and records exception hours, i.e., vacation, sick and personal time taken, for weekly salaried employees.

POLICY

1. Departments are responsible for ensuring that all time reporting that will impact an employee’s pay are entered into the Payroll system by the scheduled due date. See current payroll schedule here [http://www.finance.upenn.edu/comptroller/accounting/closingsch/payroll/](http://www.finance.upenn.edu/comptroller/accounting/closingsch/payroll/)

2. Each department is responsible for establishing procedures to record hours worked by hourly paid employees and sick, vacation and personal time taken for all other weekly salaried employees. Each employee should be informed of the departmental procedure to ensure that his/her time is recorded correctly.

3. Each department or reporting unit should have at least two individuals who have been trained to enter the appropriate time into the payroll system, or have in place other appropriate backup procedures, in order to ensure on-line time reporting completion and submission on a timely basis.
2409 RETROACTIVE PAY

Effective: December 1986

Responsible Office: Comptroller
Approval: Comptroller

PURPOSE

To establish policy for the payment of retroactive salary adjustments as the result of promotion or reclassification.

POLICY

1. Employees are entitled to a retroactive payment if the effective date of a salary increase precedes the beginning of the current pay period.

2. Retroactive payments will only be made with the proper authorization from Human Resources/Compensation.
2410 OVERPAYMENTS

Effective: December 1986
Revised: May 2018
Last Reviewed: May 2018
Responsible Office: Comptroller
Approval: Comptroller

PURPOSE

To establish policy regarding salary and wage overpayment and to assign responsibility for identifying and remedying the overpayment.

POLICY

*Each department is responsible for reviewing individual payroll amounts in order to ensure that they are accurate. If this review identifies individuals who have been overpaid, the following must happen:*

1. In the event an employee is overpaid in any given payroll period, the employee is responsible for bringing the overpayment to the attention of the departmental business administrator who must then notify the payroll department via the Request for Overpayment Calculation form found on the payroll website [http://www.finance.upenn.edu/forms/request for overpayment calculation.doc](http://www.finance.upenn.edu/forms/request for overpayment calculation.doc)

2. Upon receipt of the Request for Overpayment Calculation worksheet the payroll office will calculate the net overpayment that must be refunded to the University.

3. An email will be sent to the Business Administrator notifying the department of the net amount of the overpayment. It is the Department’s responsibility to inform the employee of the net amount due to the University.

4. Included with the email to the Department is an authorization agreement that the employee must sign in the event that they select the cash recovery deduction. Personal checks for the full amount of the overpayment are accepted as well.

5. The payroll office will then set up a “cash recovery” deduction that will withhold up to 50% of the net pay from each of the employees subsequent pays until the overpayment is recovered in full.

6. Failure to authorize such cash recovery to reimburse the University is grounds for termination.

7. Once the overpayment has been recovered in full the employee’s year to date earnings and taxes will be adjusted and the paying department will receive the corresponding credit.

Effective: December 1986
Revised: April 2015
Last Reviewed: April 2018
Responsible Office: Comptroller
Approval: Comptroller/Human Resources

PURPOSE

To establish policy regarding the timely processing of the termination notice to the Payroll Department for an employee separating from the University, either voluntarily or involuntarily.

NOTE: Specific payroll action is required for effecting an employee's termination. Terminating the current pay distribution does not in and of itself constitute an appropriate termination notification.

POLICY

1. Departments are responsible for entering the appropriate termination information in Penn Works for separating employees in a timely and accurate manner. This includes entering the appropriate separation code for the employee.

2. For monthly paid employees, the termination should be effected on the Human Resources/Payroll System as soon as the department becomes aware that the employee is terminating. If the payroll termination action is after a payroll cutoff date which would result in the employee being overpaid, the department also must immediately notify the Payroll Department, in writing, of the termination.

3. For weekly paid employees or work study students, the termination should be effected on the Human Resources Payroll System the Tuesday following the last week worked.

4. Departments are expected to see that all University property is returned by the employee to the appropriate office upon termination. This includes keys, Penn Identification Card, Transaction Authorization Card, University Sponsored Charge Card and any other University property in the possession of the employee. In addition, it is the responsibility of the home department to take reasonable steps to inventory and remove (or request removal of) the terminated employee’s Access privileges to University, Departmental, School, Center and other informational systems containing personal or proprietary data.

2. Upon receipt of an Internal Revenue Service Levy, the Payroll Department will send a copy of the levy by first class mail to the employee's home address currently listed in the payroll system. This form must be completed and returned to the Payroll Department within five working days, or the Payroll Department will begin to deduct the levied amount without regard to the employee's claimed dependent exemptions.

3. Court ordered wage attachments will be deducted, based on the information provided by the court, in the payroll cycle immediately following receipt of the attachment.

4. The Payroll Department will use its best efforts to ensure that the deductions do not exceed statutory limits and that timely payments are made to the respective agencies.

5. The Payroll Department will treat wage attachments and levies as confidential information, which will handled in accordance with the University's policy on confidentiality of records. (See Policy No. 201, "Confidentiality of Records," of the Human Resources Policy Manual.)

6. A one time administrative fee will be assessed for Pennsylvania Child Support in the amount of $50.00 for the duration of the wage attachment. For all other wage attachments there is an administrative fee assessed for 2 percent of the wage deduction not to exceed $25.00 per wage deduction.
