- DoF IT Services (ITS) is the Local Support Provider (LSP) responsible for:
- Client computer, printing, and mobile device support to ~300 DoF customers
 - Maintenance and support of over 50 applications
 - Maintenance and support of DoF-specific server infrastructure
 - Support of DoF integrations to enterprise Student Systems

Enterprise student systems, like Pennant, SAM, SRS, TouchNet, and all NGSS-related systems fall under the Student Systems group within DoF Financial Systems and Training.
