***The following correspondence is being sent on behalf of the Payroll Office in the Office of the Comptroller:***

***Please share this important information with individuals and HR Partners and HR Analysts in your departments.***

This is a reminder that as the University transitions back to work on campus, HR Analysts and HR Partners must update the Work Address to the campus address for individuals who return to their on-campus worksite. Additionally, these individuals will need to review and update their tax information.

Guidance for HR Partners/Analysts and for Individuals is available on the [Workday](#) website to assist with making these updates.
