**The following correspondence is being sent on behalf of Amy Collins, Provost Administrative Affairs:**

Colleagues –

On behalf of The Office of Vice Provost for Faculty, the Provost Office, Human Resources and Workday Operations, we would like to provide milestone dates related to the FY23 Faculty and Staff Merit Plan that was just announced in the [Almanac](#). We understand that each school/center may have a more condensed timeline within each of their organizations to meet these deadlines thus we are only sharing this communication with your respective School/Center's Merit Planner Coordinators, Human Resources and Senior Business Officers contacts. Please make sure to communicate this timeline with the highest level merit planners in each of your organizations. If you have any questions surrounding the timeline, please do not hesitate to reach out to the Solution Center ([solutioncenter@upenn.edu](mailto:solutioncenter@upenn.edu) or [\(215\) 898-7372](tel:215-898-7372)).
