417X to 419X - STUDENT AID (CONTRA REVENUE)  
Tuition, fees, housing remitted on behalf of students.

The 417x object codes will be phased in beginning in FY16 with the implementation of NGSS. In order to facilitate RCM reporting, all aid expense will be classified by type of student. In order to facilitate GAAP reporting, all aid expense will be classified by whether service is required for the award or not. If the award is for a package that includes a stipend and the associated student aid, then the service/no service designation on the student aid should match the service/no service designation on the stipend.

Once NGSS is implemented, the use of the student aid object codes 4182 and 4184-4195 will be discontinued. Object code 4180 will continue to be used for accruals and adjustments, and object codes 4181 and 4183 will continue to be used for the Undergraduate student aid distributions.
