NOTICE TO EMPLOYEES
New Bolton Campus

Your employer has provided for the payment of benefits under the
Workers’ Compensation Act of this State

IN CASE OF WORK-RELATED INJURY

- If you suffer a work-related injury, your employer or its insurance company must pay for reasonable surgical and medical services and supplies, orthopedic appliances and prostheses, including training in their use.
- In order to ensure that your medical treatment will be paid for by your employer or the insurance company, you must immediately advise your supervisor of your injury, and be treated by one of the licensed physicians or practitioners of the healing arts listed below:

- You must continue to visit one of these persons listed above, if you need treatment, for ninety (90) day from the date of your first visit. If you do not, your employer may not be required to pay these services.
- After this ninety (90) day period, if you still need treatment and your employer had provided a list as set forth above, you may choose to go to another licensed physician or practitioner of the healing arts for treatment. You must notify your employer of this action within five (5) days of your visit to the person of your choice, or your employer may not be required to pay for these services.
- Your bills will be paid for IF: your licensed physician or practitioner of the healing arts files reports as required. (These reports must be filed within ten (10) days after your first visit and at least once a month for as long as treatment continues.)
- In the event a posted panel physician recommends invasive surgery, you may seek a second opinion with a physician of your choice. If you choose to undergo the invasive surgery, you must use a posted physician for the treatment.
- If no list is provided as above, you may go to a licensed physician of practitioner of the healing arts of your choice.
- If one of the persons listed above refers you to another licensed specialist, your employer or his insurer will pay the bill for these services.
